- Do you want to gain experience or help less fortunate families?
- Can you volunteer a few hours each week or month to help?
- Are you a licensed attorney, an attorney awaiting bar exam results, a new law graduate, or a law student?
- Are you a graduate student, an undergrad, even a high school student?
- Are you a retiree, a stay-at-home parent, or anyone else who has some time to spare for volunteering?
- We provide training, supervision, support, and equipment.
- For attorneys, we provide malpractice insurance for cases you handle for our clients.
